Halloween is almost here and soon I will be going Trick-or-Treating!

Halloween is a time to dress up in a costume. People may not know who I am. They will ask “Who is that?” and I will say “Me!”

This year I will visit a big building called Susanna Wesley United Methodist Church

There will be things to eat and lots of fun games inside. When I play these games I will get a prize!

It might get loud and crowded and there's a special room just for me and mom/dad when I need a break. This room is called the Sensory Room.

Soon it will be time to go outside for Trunk-or-treat. There will be a lot of cars in the parking lot. They will have fun and cool decorations!

I will walk up to the car and say “Trick or Treat” and they will hand me a piece of candy. I will put it in my treat bag. I will say “Thank you” and get in line for the next car.

I will see other Kids in costumes, and some might be silly, scary, or pretty.

If I see a scary costume and I feel afraid, I can always ask my mom/dad to go to the sensory room. I am safe there.

When I have visited all the cars it will be time to wave goodbye to Susanna Wesley United Methodist Church and go home.

Wonderfully Made is an Inclusion program at Susanna Wesley United Methodist Church for Special Needs and Differently abled families to more comfortably participate in Events & Activities.
